

# SCHOLASTIC SURF SERIES

## JUDGING CRITERIA & FORMAT

**FORMAT:** All heats will be 15 minutes. A max of 10 waves may be ridden. The best 2 waves will be tallied in all heats.

**JUDGING CRITERIA:** Surfers must perform to the ASP judging key elements to maximize their scoring potential. Judges analyze the following major elements when scoring waves.

### **Shortboard and Bodyboard:**

- \* Commitment and degree of difficulty in critical section of the wave
- \* Innovative and progressive maneuvers
- \* Combination of major maneuvers
- \* Variety of maneuvers
- \* Speed, power, and flow

**Longboard:** The surfer must perform controlled maneuvers in the critical section of the wave utilizing the entire board and wave using traditional longboard surfing. The surfer who performs this to the highest degree of difficulty with the most style, flow and grace will receive the highest score for a ride. Further to that above, the following are key elements for judges to consider:

- \* Nose riding and rail surfing
- \* Critical section of the wave
- \* Variety of maneuvers
- \* Speed and Power / Commitment
- \* Control / Footwork

**SSS 2018/19**

**Note:** It is important to note that the emphasis of certain elements is contingent upon the location and the conditions on the day, as well as changes of conditions during the day. The following scale may be used to describe a ride that is scored:

- 0 - 1.9 = Poor
- 2 - 3.9 = Fair
- 4 - 5.9 = Average
- 6 - 7.9 = Good
- 8 - 10 = Excellent

**INTERFERENCE – BASIC RULE:** The surfer deemed to have the inside position for a wave has unconditional right of way for the entire duration of that ride. Interference will be called if during that ride a majority of judges feel that a competing surfer has hindered the scoring potential of the surfer deemed to have right of way for the wave. Anyone who stands up in front of a surfer with right of way has the chance to ride or kick out of the wave without being called interference, UNLESS they hinder the scoring potential of the surfer with right of way by any means. These include paddling, excessive hassling, leg rope pulling or breaking down a section in a manner that hinders scoring potential.

**NOTE:** If an interference is called on a team member on the same team in the same heat, the interference will not be counted by the tabulator. This only applies to the team vs team portion of the event.

**INTERFERENCE PENALTY:** Under 2 best waves, the interfering surfer will be penalized with a loss of 50% of his/her second best scoring ride. The wave that the interference was called on by the majority of the judges will count in the final tally as a zero. If this surfer incurs another interference penalty during the same heat, his/her best wave score will also be halved. An attempt will be made to remove the surfer with 2 interferences from the water.

**Rulebook:** The Scholastic Surf Series is a division of the Western Surfing Association (WSA). The rulebook of the WSA will apply in instances that are not covered by the SSS Basic Rules.

**Middle School Individual Ratings:** The top 4 events will determine the end of the year individual ratings. This applies to the middle school Individual ratings only.

**Division 4 & 5 High School Teams:** At the end of the season the top 2 ranked teams from Division 5 will move up to Division 4 and the bottom 2 ranked teams from Division 4 will move to Division 5 for the following season. This number may change depending on the number of teams in Division 4.
