

## SSS HIGH SCHOOL STATE CHAMPIONSHIPS 2016

The Scholastic Surf Series a Division of the WSA completed its High School Surfing season with the High School State Championships held at Oceanside South Jetty. The Championships took place over 3 days of competition with participation from over 40 high schools from San Diego to Santa Cruz/Half Moon Bay. What a great way to finish up the high school season with excellent summer like weather and great surf. Offshore each morning with Saturday offering up some 3 to 5 foot surf for our Coastal High School competitors. Sunday morning started with offshore conditions and a drop in surf size but still fun size 2 to 3 foot waves. Monday was the day a new south swell showed up increasing thru the day with some 3 to 4 foot waves and great conditions all day long.
