

The Scholastic Surf Series a Division of the WSA completed its High School Surfing season with the State Championships held at South Jetty, Oceanside April 20, 21, 22, 2013. The High School State Championships took place over 3 days of competition with participation from over 40 high schools from San Diego to Santa Cruz/Half Moon Bay. What a great way to finish up the high school season with excellent surf and sunny days throughout the event. Surf ranged from 3 to 6 feet throughout the three day event. Outstanding performances from the San Clemente High School Surf Team in five division finals and took home the overall team trophy for Section A high schools (coastal). San Juan Hills took the overall honors in Section B schools (inland). The most exciting division took place in Section A Mens Shortboard with San Dieguito High School edging out San Clemente High School. The grand finale of the SSS season will take place with the Middle School State Surfing Championships on May 4 & 5, 2013 at Oceanside Harbor South Jetty. We wish to thank our many sponsors for their support of the Scholastic Surf Series. Great prizes and product were provided by Body Glove Wetsuits, The WaveHouse, Sticky Bumps Surf Wax, Transworld Magazine, SIMA Corp., Oceanside Longboard Surfing Club and the WSA.

Sportsmanship Award: Will Reichel, Dos Pueblos High School
