

**RESULTS / SCHOLASTIC SURF SERIES  
SDHS DIVISION 1 & 2 / NOVEMBER 3, 2024  
OCEANSIDE SOUTH JETTY**

What a great event we had for our second event of the series. Just the opposite of the first event. We had waves this time and it was completely on fire and everyone was ripping. I have never seen so many perfect 10's and 9.5's in one event. Congratulations to all the teams for bringing their "A" game. It was amazing to see so many kids ripping: shortboard, longboard and bodyboard. We had one casualty, a longboard had a collision with the front of the jetty. All good and exciting. Our next event will be December 15 back at South Jetty. What a season.
