Ventura-Morro Bay High School / January 12, 2025-- Carpinteria State Beach

The SSS Ventura to Morro Bay High School division fourth event of the season was held at Carpinteria State Beach. It was another amazing day with perfect weather. The tide was a little high in the morning, but when the sets came through there were some really fun corners. As the tide dropped the 3-4 foot waves got better until the bottom of the tide for the finals. Even with the challenging conditions everyone was still ripping. In the end it was Ventura A with another high team point total with 87 points defeating Arroyo Grande with 38 points.

Thanks to all the parents and coaches. With construction going on at Ventura Fairgrounds we are forced to get another venue for next weekend's event. Stay tuned for updates on a new location.
