

Hi Coaches, welcome to the Scholastic Surf Series High School State Championships!

What to expect on Contest Day.

All the information is posted on our SSS website at <https://surfsss.org/state-champs/>

Schedule – the schedule shows the division heat times so you can plan your day.

Brackets - are a simple way to see what time your team surfs and what area and who you will be surfing against. There are two areas: South by the jetty and North up the beach. Both areas are designated by colored flags.

Separate Schedule and Heats for Individuals competing on Monday will be posted here as well.

Please arrive at least one-half hour prior to your teams first scheduled time. Check in with the Contest Director, Carolyn Krammer and turn in your team lineup (see the form below). Your Team lineup is different than the team roster you submitted online. You will let Carolyn know who you want to surf in each heat. In other words, you seed your own lineup.

This is a Team vs Team event so the winners of each Team move on to surf against another winning Team. You can change your lineup each time if you wish. Just let the Contest Director know if you want to keep everything the same on your lineup.

Parking - The Beach Parking lots are pay parking or there is free parking up by the Harbor Shops under the Train trestle.

Traffic Warning - Teams traveling from the north please be aware of really heavy traffic on the I-5 Freeway going South starting on Friday morning as well as Saturday and Sunday mornings. Don't be late for your heats.

Thank you for participating in our High School State Champs and hope you have a fun experience.
