

The High School State Championships is held over 3 days of competition at the Oceanside South Jetty. Saturday is the Team vs Team competition for the Coastal High Schools, Sunday is for Inland Teams and Monday is an Individual competition for surfers throughout California whose teams compete in an organized competitive league during the 2018-19 season. There are 5 divisions: Men's Shortboard, Men's Longboard, Women's Shortboard, Women's Longboard and Coed Bodyboard. This year we had 42 teams compete over the 3 days of competition. We would like to thank all the Teams, parents and coaches that traveled to Oceanside to make the 2019 High School State Champs another successful year. We want to thank our sponsors who have supported the SSS thru the season: Sharp Eye Surfboards, BOS Iced Tea, Surface Sun Systems, Sticky Bumps, Standard Graphics, Oceanside Longboard Surfing Club and the WSA.

Sunday's Results Inland Teams:

Sunday morning presented some different conditions. Smaller surf in the 2 to 3 foot range with some offshore conditions but turned bumpy for most of the day. That didn't deter the teams from bringing their A game to the competition. Marin Surf Team traveled all the way from north of San Francisco to compete in our 9th SSS High School State Champs. Los Alamitos took a decisive win in the Mens Shortboard over last year's finalist San Marcos. The Aliso Niguel Mens Longboard Team defended their 2018 State Champs Title by taking the win over San Marcos. San Marcos Womens Shortboard defended their 2018 State Champs Title defeating Tesoro for the win while Aliso Niguel defeated Tesoro in a narrow win the Womens Longboard Division. San Juan Hills and San Marcos tied in the Coed Bodyboard Division forcing a countback for the Title. San Marcos defended its 2018 State Champs Title with a narrow win in a tiebreak over San Juan Hills. Sunday's results for Inland Teams are as follows:

Inland Team vs Team
