

The High School State Championships is held over 3 days of competition at the Oceanside South Jetty. Saturday is the Team vs Team competition for the Coastal High Schools, Sunday is for Inland Teams and Monday is an Individual competition for surfers throughout California whose teams compete in an organized competitive league during the 2018-19 season. There are 5 divisions: Men's Shortboard, Men's Longboard, Women's Shortboard, Women's Longboard and Coed Bodyboard. This year we had 42 teams compete over the 3 days of competition.

We would like to thank all the Teams, parents and coaches that traveled to Oceanside to make the 2019 High School State Champs another successful year. We want to thank our sponsors who have supported the SSS thru the season: Sharp Eye Surfboards, BOS Iced Tea, Surface Sun Systems, Sticky Bumps, Standard Graphics, Oceanside Longboard Surfing Club and the WSA.
