

**Scholastic Surf Series
High School League Finals
South Jetty Oceanside Harbor
April 25, 2021**

Our Scholastic Surf Series High School season was so different the past 2 years due to COVID-19 and we were unable to hold our High School State Champs. We were very fortunate to be able to run a very short and abbreviated season for our Orange County High School Section and our LA-Santa Barbara Section. But due to restrictions still in force in San Diego we were unable to run a HS season due to limited venues available to run events. In honor of our High School Seniors who did not have a season, SSS decided to put together a High School League Finals to give a fitting end to a high school season for 2020-21. To all of our graduating seniors we wish you an awesome summer and a new beginning on a new adventure as you leave your high school years with a lot of good memories of your high school surfing years. And what a grand finale it was – a 6-8 foot south swell provided the backdrop for some incredible surfing. Thank You to our SSS League High Schools who participated in the event on Sunday:
